ELECTRICAL DEPARTMENT.

Notification dated 16th June 1933.

Sealed tenders for carting and unloading materials for one year or until further orders from the date of acceptance will be received in the Office of the Superintendent, Power and Lighting, Mysore, till 12 noon on 10th July 1933.

Tenders should be addressed to the Superintendent, Power and Lighting, Mysore, and should be enclosed in sealed covers and superscribed as "Tenders for carting contract to be opened on 10th July 1933, at 2 P.M."

Each tender must be accompanied, under separate cover, either by registered post or Money Order or personally, with a deposit of Rs. 25, as otherwise the tender will not be considered.

The successful tenderer will be required to sign a contract deed and deposit the required further deposit of Rs. 25 immediately after the acceptance of his tender is intimated to him.

The rates to be tendered shall be in the accompanying form and should be entered both in figures as well as in words. The rate quoted by the contractors should be for all kinds of materials including steel or cast iron poles, creosoted balgi poles, reels and other heavy packages. When once the tender is accepted, no special rates will be allowed on any representation for special consideration.

Payment will be made on bills prepared and submitted by the contractor in specified printed forms once in every month or if so desired by the contractor once a fortnight or even earlier as may be decided by mutual agreement.

The loading and unloading of carts should be arranged to be done by the contractor himself. The decision of the Superintendent, Power and Lighting, Mysore, for all cartings done will be final in all cases of doubt. If the materials are not promptly carted as required either form the Railway Station or from Stores or from other places, any demurrages or wharfages or haulage charges and other damages are liable to be debited to the account of the contractor at the discretion of the above officer. The carting contractor should make arrangements to be in constant touch with the Superintendent, Power and Lighting, Mysore, or his representative and should supply carts whenever called upon to do so, at the shortest notice possible.

In case of urgency or expediency, the Superintendent, Power and Lighting, Mysore, will be at liberty to order to transport the materials by the departmental lorry or by hand carts kept by the department or by head loads wherever possible and the contractor will have no claim for compensation on such accounts.
